

Important Notice

1. Authors who have received the paper revision notice are requested to revise the article carefully. Please note that the acceptance of the conference does not mean that it can be published and indexed. The author needs to ensure that the paper meets the publication format requirements and complies with IOP ethical policy. If the article cannot be published and indexed due to article format issues and ethical issues (such as parallel submission, falsify or misrepresent data or results, image manipulation, duplicate publication, plagiarism, incorrect authorship, text recycling etc.), the author is responsible.
2. In general, only successfully presented manuscripts during the symposium will be published at IOP Science. Manuscripts, which are not presented during the symposium shall not be published. **Authors who only want to participate in oral presentations but do not want to publish their papers should send their Paper ID to the conference mailbox and indicate their non-publishing requirements.**
3. Those who do not receive the hotel booking failure information are considered successful, and no further notices will be given. And who miss the submission deadline can contact us book CNY 850 room in main venue hotel.
